WATERWAY WORKS LICENCE APPLICATION

This application for a Waterway Works Licence is made under section 43 of the *Water Resources Act 2007*.

Works within a waterway or the building of a structure with a capacity of 2 megalitres or more will require a Waterway Works Licence prior to works commencing. A waterway can include permanent or intermittent rivers, streams, ponds, dams, lakes, wetlands and stormwater systems.

1. Applicant Details

Name:	
Business Name:	
Business Address:	
Postal Address:	
Email Address:	Fax:
Business Phone:	Mobile:

2. The application relates to a licence for:

- Construction/alteration of a dam or pond.
- Other structure/works affecting a waterway - describe: _____

3. Location of proposed or existing water structure construction (attach marked map or locality plan)

Block & Section number:	District:
Water Management Area:	Eastings/Northings:
Basis of legal access to site where works are to be undertaken (provide evidence if applicant is not lease holder/land manager):	

NOTE: Before water can be taken from a waterway works structure, other than for stock and domestic purposes, a licence to take water is needed. Before a licence can be issued the licence applicant must hold a water access entitlement of a volume of water at least equivalent to the licensed volume required.

- Note: (i) The Environment Protection Authority can only accept signed original applications.
(ii) All licences, water access entitlements, and transfers granted under the *Water Resources Act 2007* are included on the Water Resources Register and hence are public documents.

Lodge application with: Water Resources Unit, Environment Protection and Water Regulation, GPO Box 158, Canberra ACT 2601, or Macarthur House, 12 Wattle Street, Lyneham ACT 2602, fax 6207 6084, email water.resources@act.gov.au

Canberra Connect 13 22 81 • website www.environment.act.gov.au

4. Proposed use

Major use:	Other uses:
Expected volume of structure (if applicable):	

5. Drawings/plans

To ensure your application can be processed without delay, please provide the following documentation (where available) to demonstrate the extent of the works:

- Design drawings or concept plans
- Environmental Management Plan or Construction Management Plan
- Sediment and erosion control plan

The Authority may request further information with regard to the proposed waterway works.

6. Proposed controls to minimise environmental impacts

7. Waterway Works Licence Application Fee (\$134.60) Cheque attached or Please Invoice
