EXEMPTION FROM THE REQUIREMENT FOR A LICENCE TO TAKE WATER APPLICATION

This application for an Exemption from the Requirement for a Licence to Take Water is made under section 6 of the *Water Resources Regulation 2007*.

An Exemption from the Requirement for a Licence to Take Water is primarily issued for any of the following:

- a) the taking of water from a water body if it is to be used for road works or other construction (this includes land development);
- b) the taking of water from a sediment retention pond if a sediment and erosion control plan provides for the pond (can include both management of the pond for water quality purposes or the use of the water, for instance in establishing landscaping);
- c) the taking of surface water to be used to establish trees or shrubs for non-commercial purposes on rural or public land; or
- d) other circumstances as per the *Water Resources Regulation 2007*.
