Dear [REDACTED]

### **Decision on Freedom of Information Access Application 21/97082**

I refer to your application made under section 30 of the *Freedom of Information Act 2016* (the Act) received by the Environment, Planning and Sustainable Development Directorate (EPSDD) on 26 October 2021, in which you sought access to documents relating to Block 9 Section 7 Braddon.

Specifically, you are seeking:

*“Access to advice provided by the National Capital Design Review Panel on the current plans for the redevelopment of Block 9 Section 7 Braddon.*

*I understand that the Panel has provided advice on two occasions, and I would like access to both advices.”*

I am an Information Officer appointed under section 18 of the Act to deal with access applications made under Part 5 of the Act.

An extension of time was granted to allow for third party consultation to be undertaken, and as such, EPSDD must make a decision on your application on or by 14 December 2021.

### **Searches Conducted**

Comprehensive searches were conducted and two documents containing information within the scope of your application were identified.

### **Decision on Access**

I have included as **Attachment A** to this decision the schedule of relevant documents. The schedule provides a description of each document that falls within the scope of your application and the access decision for each of those documents.

I have decided to grant partial access to these two documents and, in accordance with section 50 of the Act, provide you with copies of documents with deletions applied to contrary to the public interest information.

My access decisions are detailed further in the following statement of reasons and the documents released to you are provided as **Attachment B** to this letter.

### **Material Considered**

In reaching my access decision, I have taken the following into account:

- the FOI Act, particularly sections 6, 17, 50, and Schedule 2

- the content of the documents that fall within the scope of your request
- the *Human Rights Act 2004*
- the views of the third party consulted

### **Public Interest Considerations**

My reasons for deciding not to grant access to certain components of these documents are as follows:

#### **Information Disclosure – Schedule 2 of the Act**

The Act recognises the right of every person to obtain access, under its provisions, to government information (see section 7, the Act). As an Information Officer, I am required to allow access to information subject to the Act, unless, on balance, disclosure would be contrary to the public interest.

In assessing the public interest, I must apply the test outlined under section 17 of the Act which requires consideration of factors favouring disclosure, any favouring nondisclosure and the balance of those factors when considered cumulatively.

#### *Factors Favouring Disclosure*

In applying the public interest test, I have determined that disclosure of the information could reasonably be expected to do the following:

- Schedule 2, 2.1(a)(i) – promote open discussion of public affairs and enhance the government's accountability.
- Schedule 2, 2.1(a)(viii) – reveal the reason for a government decision and any background or contextual information that informed the decision.

#### *Factors favouring Nondisclosure*

In applying the public interest test, I have determined that disclosure of the information could reasonably be expected to do the following:

- Schedule 2, 2.2(a)(ii) – prejudice the protection of an individual's right to privacy or any other right under the *Human Rights Act 2004*.

#### Personal Information

Documents relevant to your application contain personal information of individuals. I have considered how the public interest would be advanced by releasing this information in part or in whole. It is my view that the information if disclosed, could reasonably be expected to prejudice the protection of an individual's right to privacy under section 12 of the *Human Rights Act 2004*. On balance, and the information available to me, I am satisfied that the disclosure of this personal information is not in the public interest.

To provide you with the information that I have determined to be in the public interest to release, copies of some documents have been prepared with personal information redacted in accordance with section 50 and the Objects of the Act.

## **Charges**

No charges are applicable to this application, the number of pages to be released is below the minimum threshold.

## **Online Publication**

Under section 28 of the Act, EPSDD maintains an online record of access applications called a disclosure log. Your original access application, this decision and documents released will be published in the EPSDD disclosure log no earlier than three days after you receive this decision. Your personal contact details will not be published.
