Dear EPSDFOI

In accordance with the Freedom of Information Act 2016 I request a copy of the documents associated with Technical Amendment to the Territory Plan Variation 2013-02 which was approved on 29 May 2013. The Technical Amendment covered a number of matters - my request is specifically for documents on the amendment to the Conder Precinct Map. The documents I am after should include any correspondence between officers relating to changes to the Conder Precinct map (requesting the change and correspondence on the change) and any briefings that include references to the changes to the Conder Precinct map.

If you have any questions or need further clarification on my request please do not hesitate to get in contact with me.

Many thanks.
