Good afternoon Jedda

Thank you for following up on this.

I agree with the revised scope as you propose i.e.

- *Schedules of mowing/slashing undertaken in the entirety of the area identified as FS915 in the Bushfire Operations Plan over the period 1 December 2016 to 31 December 2021.*
- *The proportion of costs attributed to mowing/slashing undertaken in the entirety of the area identified as FS915 over the period 1 December 2016 to 31 December 2021.*

Regarding the publicly available information, if you could provide a link to the relevant contract(s) on the register that would be much appreciated.

Best regards
