Dear Mr Burkevics,

**RE: Informal request for disclosure of documents which inform the district strategies**

I am writing to make an informal request under s8 of the *Freedom of Information Act 2016* (ACT). On behalf of the [redacted], I would like access to the maps and associated documentation that was provided to ACT Planning (EPSDD) for the purpose of informing the new ACT District Strategies.

It would also be appreciated if a briefing from the Directorate on the contents of the documents could be arranged.

As you are aware, our [redacted] are keenly interested in this issue as it will have an impact on the ACT's biodiversity.

Thank you in advance for your assistance.

Yours sincerely,

**Executive Director**
