Dear [REDACTED]

### **Decision on Freedom of Information Access Application 24/086689**

I refer to your application made under section 30 of the *Freedom of Information Act 2016* (the Act) received by the Suburban Land Agency (SLA) on 9 August 2024.

Specifically, you are seeking:

*"...access to the Design Report mentioned in the letter of 18 December 2020..."*

I am an Information Officer appointed under section 18 of the Act to deal with access applications made under Part 5 of the Act.

In accordance with section 40 of the Act, as third party consultation was undertaken, a decision on your access application must be made on or by 14 October 2024.

### **Searches Conducted**

Comprehensive searches were conducted and one document containing information within the scope of your application was identified.

### **Decision on Access**

I have included as **Attachment A** to this decision the schedule of relevant documents. The schedule provides a description of the document that falls within the scope of your application and the access decision for the document.

I have decided to grant partial access to the document and, in accordance with section 50 of the Act, provide you with a copy of the document with deletions applied to contrary to the public interest information.

My access decisions are detailed further in the following statement of reasons and the documents released to you are provided as **Attachment B** to this letter.

### **Material Considered**

In reaching my access decision, I have taken the following into account:

- the FOI Act, particularly sections 6, 17, 50 and Schedule 2

- the content of the documents that fall within the scope of your request
- the *Information Privacy Act 2014*
- the *Human Rights Act 2004*

### **Public Interest Considerations**

My reasons for deciding not to grant access to components of this document are as follows:

#### **Information Disclosure – Schedule 2 of the Act**

The Act recognises the right of every person to obtain access, under its provisions, to government information (see section 7, the Act). As an Information Officer, I am required to allow access to information subject to the Act, unless, on balance, disclosure would be contrary to the public interest.

In assessing the public interest, I must apply the test outlined under section 17 of the Act which requires consideration of factors favouring disclosure, any favouring nondisclosure and the balance of those factors when considered cumulatively.

#### *Factors Favouring Disclosure*

In applying the public interest test, I have determined that disclosure of the information could reasonably be expected to do the following:

- Schedule 2, 2.1(a)(viii) – reveal the reason for a government decision and any background or contextual information that informed the decision.

#### *Factors favouring Nondisclosure*

In applying the public interest test, I have determined that disclosure of the information could reasonably be expected to do the following:

- Schedule 2, 2.2(a)(ii) – prejudice the protection of an individual’s right to privacy or any other right under the *Human Rights Act 2004*.

#### Personal Information

The document relevant to your application contains personal information of individuals. I have considered how the public interest would be advanced by releasing this information in part or in whole. It is my view that the information if disclosed, could reasonably be expected to prejudice the protection of an individual’s right to privacy under section 12 of the *Human Rights Act 2004*. On balance, and the information available to me, I am satisfied that the disclosure of this personal information is not in the public interest.

To provide you with the information that I have determined to be in the public interest to release, a copy of the document has been prepared with personal information redacted in accordance with section 50 and the Objects of the Act.

### **Charges**

In accordance with the *Freedom of Information (Fees) Determination 2018* no charges are applicable to this application, the number of pages to be released is below the minimum threshold.
