Dear Mr [REDACTED]

Freedom of information request: Curtin Group Centre Master Plan

I refer to your application under section 30 of the *Freedom of Information Act 2016* (the Act), received by the Environment, Planning and Sustainable Development Directorate (EPSDD) on 5 June 2018, in which you sought access to information relating to Curtin Group Centre Master Plan.

Specifically, you are seeking:

“all the communication between the ACT government and all the parties (including developers) involved in the design and development of this and previous Curtin Master Plans”

I am an Information Officer appointed under section 18 of the Act to deal with access applications made under Part 5 of the Act.

Decision on access

An EPSDD Information Officer wrote to you on 2 June 2018 and notified you of the intention to refuse your request, the grounds for refusal and the consultation period available to you. The consultation period closed on 3 July 2018.

I am advised that you have not consulted with the FOI team, nor has a revised scope been received.

I have therefore decided to refuse to deal with your application under sections 43 (1)(a) of the Act because to do so would require an unreasonable and substantial diversion of resources as outlined in the letter dated 2 June 2018.

Online publishing – disclosure log

Under section 28 of the Act, EPSDD maintains an online record of access applications called a disclosure log. Your original access application, my decision and documents released to you in response to your access application will be published in the EPSDD disclosure log from 3 days after the date of this decision. Your personal contact details will not be published.

You may view the disclosure log at:

the Act within 20 working days from the day that my decision is published in the disclosure log, or a longer period allowed by the Ombudsman. For more information and the application form for Ombudsman review, please visit:
