

RISK MANAGEMENT

POLICY

EPD has developed a [Risk Management Plan](#) that includes risk management procedures and practices designed to protect and enhance the Directorate's resources and enable the achievement of objectives.

RATIONALE FOR POLICY

Adherence to the Risk Management Plan will enable EPD to fulfil its stewardship responsibilities of protecting resources from loss or misuse, ensuring the safety of directorate officers, clients and the public, and generally encourage excellence in management, including innovation that may involve responsible risk taking.

RESPONSIBILITIES AND ACCOUNTABILITIES

The primary responsibilities and accountabilities in relation to Risk Management are set out in the Risk Management Plan.
