Hey Matt,

Thanks for flagging this one with me. Purdons have contacted the Gateway team a few times even though they have been advised James is the contact for any enquiries for this DA. As far as I'm aware the DA cant progress until James receives further advice.

Thanks

Anna

Hi Anna/Matt

Can you please direct all queries on this one to me please?

If the call was from [REDACTED] at Purdons, I spoke with [REDACTED] last week and told [REDACTED] that we will be in contact when we have an update for them. Until then, we can't provide them anything else.

Good morning,

I had a call from Purdon planning about the attached application. It is allocated to Walid and the caller said it has been in stage 4 for a while. I can see there have been quite a few issues raised and amendments made so far. However the stage 4 section of the assessment checklist has been signed off. It has gone from stage 4 to 2 and back to 4. Is it possible to have this one looked into? I can see it is still being looked at and has been recently.

Thank you

Regards,

Perfect.

Sorry, sometimes these aren't so obvious unless George or James have been in the file recently.

Thanks!

Hi Anna

Thank you for the update, this DA is quite controversial and James Bennet and George Cilliers are aware of it and we are hoping to have it finalized within the next few weeks.

For the time being it will have to stay under my name until I get a direction from either George or James to move it forward.

Regards

Walid

Hi Walid,

Purdon Planning have requested an update on this DA and the objective folder is unclear if this may have been missed being allocated to stage 5.

Want to ensure it hadn't been forgotten.
