Hi,

Under the Freedom of Information Act 2016, I would like to request a copy of the 'clarification notes' (described below) and all emails and other written information relating to these notes. These clarification notes are referred to in the following brief from EPSDD to the Minister for Planning and Land Management (previously released under Freedom of Information):

Brief Date: 21 February 2018

Brief Tracking Number: 18/04484

Signatory Name: Aliz Kaucz

Action Officer Jeanine Ridsdale

In this brief, paragraph 17 states (among other things):

"It was agreed that EPSDD would develop and trial clarification notes in the interim (while the proposed draft variation is being prepared) for development assessment staff to use around the application of certain RZ1 and RZ2 zone objectives. The purpose of these clarification notes are to facilitate consistent application of the zone objectives in the assessment of DAs"

It is these 'clarification notes' that are the subject of this FoI request.

Regards,
