

FREEDOM OF INFORMATION REQUEST SCHEDULE

Please be aware that under the *Freedom of Information Act 2016*, some of the information provided to you will be released to the public through the ACT Government's Open Access Scheme. The Open Access release status column of the table below indicates what documents are intended for release online through open access via the Environment, Planning and Sustainable Development Directorate disclosure log:

<https://www.environment.act.gov.au/about-us/access-government-information/disclosure-log>

Personal information or business affairs information will not be made available under this policy. If you think the content of your request would contain such information, please inform the contact officer immediately.

Information about what is published on open access is available online at: <https://www.act.gov.au/open-access>

File No.	Application Scope
24/013859	<p><i>...all information relating to the removal of trees within the Murrumbidgee River Corridor between the Tharwa Bridge and Cuppacumbalong/De Salis cemetery over the past 5 years.</i></p> <p><i>This information might include, but not be limited to emails, briefs, notes, reports, talking points, records of phone calls or other documents relating to:</i></p> <ul style="list-style-type: none"> <i>• the assessment of the health of the trees within the Murrumbidgee River Corridor between the Tharwa Bridge and the Cuppacumbalong / De Salis Cemetery</i> <i>• the removal of invasive and dangerous trees that impact public safety</i> <i>• maps or other documents or instructions identifying trees to be removed and the manner in which they are to be /were to be removed</i> <i>• the proposed timeline for this work to be undertaken</i> <i>• the guidelines for how felled trees are to be managed, and the environmental recommendations for these actions</i> <i>• the work plans and approvals for the work to be undertaken</i> <i>• the Arborist Report/s about these trees</i> <i>• the budget for this work both planned and actual</i> <i>• any correspondence about and / or emergency work plans that are associated with tree removal in this section of the corridor for the last 5 years</i> <i>• any correspondence / proposals for community consultation around these projects</i> <i>• any further tree removal works to be completed and reasons/reports for this</i> <i>• any trees identified for removal and why, and why they may not yet have been removed.</i>
