Dear EPSDDFOI

In response to a Question on Notice No 2 on 'Appointment of Government Landscape Architect' (Standing Committee on Planning, Transport and City Services – Inquiry into Territory Plan and other associated documents) – copy attached – the Minister for Planning advised:

- The NCDRP is currently serviced by an interim list of panel members. The Environment, Planning and Sustainable Development Directorate (EPSDD) is currently finalising the details for an upcoming open tender process (through Expression of Interest (EOI)) for the establishment of a permanent pool of panel membership which will be put to market in early 2024 to support the implementation of the new planning system.

I would like to request access under Freedom of Information Act 2016 to documents regarding the open tender process to establish permanent members of the National Capital Design Review Panel including the:

- Expression of Interest document and any associated documents
- Briefs, advice and other documents establishing the Expression of Interest and the framework of the Panel of permanent members of the National Capital Design Review Panel
- Briefs, advice and other documents to the Chief Planner/Director-General, Environment, Planning and Sustainable Development, the Minister for Planning and other agencies on the Expression of Interest and establishing the permanent panel of the National Capital Design Review Panel
- Correspondence with the Government Procurement Board on the Expression of Interest process to be used when establishing the permanent panel of the National Capital Design Review Panel

If you have any enquiries regarding this request can you please contact [REDACTED] or on [REDACTED].

Thank you!

Cheers,
