In some instances the Heritage Council can declare particular information to be restricted (*Heritage Act 2004* s 54) to prevent substantial adverse effect on the heritage significance of a place or object. It is an offence to knowingly publish this information without formal approval (*Heritage Act 2004* s 55).

Applications must be made under s 56 to access this information or for approval to publish except in some limited exceptions. The exceptions are stated under s 55 or s57 of the *Heritage Act 2004*.
