Dear EPSDFOI

Please accept my request under the *Freedom of Information Act 2016* for the following documents, correspondence and records in regard to the EIS201700053 process for Blocks 9 and 11 Section 8 Fyshwick;

- Emails, records of phone conversations and all other communication between ACTPLA and Purdon Planning Pty Ltd and Capital Recycling Solutions Pty Ltd and any representatives of these companies with regard to the meeting organisation prior to the meeting held on 18 December 2019;
- All documents including the agenda and record of the meeting held on 18 December 2019 and subsequent communication between the Authority and representatives of CRS and Purdon Planning and any representatives of these companies;
- Copy of the CRS response to the ARUP Report provided to the Authority on 28 January 2020;

Please note there is urgency in regard to response to my request because the DA for the Materials Recovery Facility is imminent. I ask that any payment be waived as this request is in the public interest of the 464 representors to the draft EIS.

Alternatively, in order to speed up response could all of the above communication requested be provided under the policy of Open Access to government information?
