OFFICIAL

I refer to your Freedom of Information Application received by the Environment, Planning and Sustainable Development Directorate (EPSDD) on 12 March 2021. I apologise for the delay in finalising this application.

In reviewing the request, and consulting with the relevant business unit, I can provide the following information in regard to the documents you have requested:

1. The Kippax Fair Shopping Centre put forward a public submission on DV361, which was prepared by Cox Architecture. This document is too large for email and has been saved to OneDrive to facilitate access. Please click this link to access the document [DV361 Documents.pdf](#)
2. The Directorate does not have a Canberra Town Planning Report for DV361.

The submissions in regard to DV361 were published on the internet during the public submission period. Sensitive personal information related to community members that may have been included with submissions were redacted prior to publishing to align with the requirements of the *Information Privacy Act 2014*.

Section 8 the *Freedom of Information Act 2016* (the FOI Act) allows for an informal release of government information held by the agency. Section 8 is subject to a provision of another law that prohibits disclosure of information. In considering that the documents included attached were in the public domain, they can be considered public documents and provided to you informally, as outlined in Section 8 of the FOI Act. The informal release of these documents contains redaction of information that is subject to the provisions of the Information Privacy Act.

The Information Officer, Ms Bethel Sendaba, has approved the informal release of documents.

If unable to access the document via OneDrive, or you would like to discuss your application please don't hesitate to contact me via email to [EPSDFOI@act.gov.au](mailto:EPSDFOI@act.gov.au) or on 02 207 5587.

Kind regards,

**Ruth Alvarenga** (she/her)

Assistant Director | Information Governance
