Hello [REDACTED],

Hope you are well.

The slab was supposed to be poured this week but due to the weather we are unable to do so. We have rescheduled for 15th of June.

If you have any questions feel free to contact me at your earliest convenience. Thank you.

Hi Haseeb

Can you please confirm if the slab is being laid today as per your email dated 24/5/23? If not, could you please give a reason as to why this has not occurred, as this would be the 4th delay, and no notification or explanation has been provided the previous 3 times.

If the laying of the slab is not commencing today, could you please let me know when this is now to be done.

Regards
