(Please provide as much detail as possible, for example subject matter and relevant dates, and also provide details of documents that you are not interested in.)

On 28 July, 2023, the ACT Government announced the 'ACT Government's Commercial Kitchen Trial'. Details of the scheme are below: <https://www.climatechoices.act.gov.au/events-news/news/canberras-commercial-kitchens-get-a-boost-to-go-all-electric> This Australian-first pilot program will support eligible ACT businesses with a rebate of up to 50% of the total cost to transition their commercial kitchen from fossil fuel gas to efficient electric. Businesses will also receive free expert technical advice. Equipment eligible for the rebate includes: ovens stove/cooktops char grills griddles and flat plate grills deep fryers other gas equipment used for cooking or heating water. As of today, February 13, 2024, please provide the following information: 1. How many expressions of interest have been received for the Commercial Kitchen Trial? 2. How many spaces were originally available under the Commercial Kitchen trial? 3. How much funding has the ACT Government allocated to this scheme? 4. Which businesses have been the successful recipients of ACT Government funding under this scheme? 5. How much funding has been expended under this scheme to date, and to how many commercial kitchens? 6. All correspondence from successful grant recipients relating to feedback on the veracity of the scheme. Many thanks.
