

Good afternoon Team

CSD has received this request from [REDACTED]

I am seeking to transfer this application to you.

The advice from our line areas is that the work toward this section of “The ACT Housing Strategy Year 5 Report Card” would sit with EPSDD.

Please advise if you accept the transfer, and happy to discuss further if needed.

Kind regards

David Grace

Subject: FOI Request - Literature review into inclusionary zoning

Dear CSD FOI Team,

Under Option 1F of the ACT Housing Strategy 2018 one action was to:

‘Investigate planning and design provisions that encourage the supply of affordable housing across the spectrum of community need. This could include investigation of planning options such as inclusionary zoning and incentive mechanisms.’ (1F.3)

The ACT Housing Strategy Year 5 Report Card tabled in the Legislative Assembly on 20 November 2023 advised for Action 1F.3:

Indicator/s:

- Literature review into inclusionary zoning
- Outcomes to be considered as part of the planning system review

Status:

- Completed

In respect to ‘Literature review into inclusionary zoning’ I am seeking the following:

- A list of the articles, books, papers that made up the ‘literature review’
- Any report/document that summarises the results/outcomes of the ‘literature review’
- Any brief, correspondence (including emails) on the ‘literature review’
- Any reports prepared by a consultant on inclusionary zoning

On the 'Outcomes to be considered as part of the planning system review' I am seeking documents, including emails, reports, briefings which show how the outcomes of the inclusionary zoning review were considered as part of the planning review.

Kind Regards,
