Cumulative shift total	17			

**Comments:**

First night of the 2024 program. [redacted] shooting teams, [redacted] at Mt Ainslie [redacted] Gungaderra [redacted], and Mulligans Flat [redacted]. Operations commenced at [redacted] at Mt Ainslie, and Gungaderra, and [redacted] at Mulligans.

Weather was fine, cold temperatures and clear. [redacted]  
[redacted],  
[redacted].

[redacted]

This was the first year that ops teams were asked to take measurements of kangaroo leg length to gain data on age distribution of culled animals. Measurements were recorded along with sex on the Tally App. [redacted]

[redacted]  
[redacted]. This

process may need some fine tuning and discuss whether measurements are needed at sites where [redacted] is operating.

ONC was present at Mulligans Flat to undertake research related to fertility control. The processing of the final animals took longer than expected and departure from the site was significantly delayed.

[redacted]

[redacted]

[redacted]

Operations ceased at [redacted] at Gungaderra, [redacted] at Mt Ainslie, & [redacted] at Mulligans.

**Unauthorised Activity**

No unauthorised activity was detected by security or ops crews.

**Police Liaison**

AFP were notified of operations.

**Safety**

[redacted]

Prepared by [redacted] (Incident Controller)

## KMP 2024 PROGRAM - Post Activity Report

**Cumulative Shift Total Mulligans SW:**

	Night 1	Night 2	Night 3	Night 4
Nightly total	17	0		
Cumulative shift total	17	17		

**Comments:**

Second night of the 2024 program. [redacted] shooting teams, [redacted] at Mt Ainslie [redacted] Red Hill [redacted] and Goorooyaroo [redacted]. The [redacted] team included a [redacted] shooter for the first time in the history of the KMP in the ACT. Operations commenced at [redacted] at Mt Ainslie, [redacted] at Red Hill, and [redacted] at Mulligans.

Weather was rainy with westerly winds, challenging conditions resulted in a slower night at each three sites. The shooting team at Red Hill moved to [redacted] of reserve due to low numbers in the [redacted] area.

Operations ceased at [redacted] at Goorooyaroo, [redacted] at Red Hill & [redacted] at Mt Ainslie.

[redacted] This delayed then end of the shift.

**Unauthorised Activity**

No unauthorised activity was detected by security or ops crews.

**Police Liaison**

AFP were notified of operations.

**Safety**

No safety incidents reported.

Prepared by [redacted] (Incident Controller)
