Good afternoon Daria

Sorry for not getting back to you earlier.

I can confirm that we agree to exclude the following from our request;

- Duplicates of documents
- Copies of Legislation that are publically available
- Drafts

We are happy to exclude internal working documents, provided that they do not contain information such as Ministerial briefs and similar, and that final documents are included. In regard to internal correspondence, we are happy to exclude inter-business unit correspondence that is of an administrative nature, however we would like correspondence between business units, other Directorates, external entities and Ministers included if available.

If you would like any further clarification, feel free to contact me.

Kind regards,

[REDACTED]
