

FREEDOM OF INFORMATION REQUEST SCHEDULE

Please be aware that under the *Freedom of Information Act 2016*, some of the information provided to you will be released to the public through the ACT Government’s Open Access Scheme. The Open Access release status column of the table below indicates what documents are intended for release online through open access via the Environment, Planning and Sustainable Development Directorate disclosure log:

<https://www.environment.act.gov.au/about-us/access-government-information/disclosure-log>

Personal information or business affairs information will not be made available under this policy. If you think the content of your request would contain such information, please inform the contact officer immediately.

Information about what is published on open access is available online at: <https://www.act.gov.au/open-access>

File No.	Application Scope
24/064591	<ul style="list-style-type: none"> • <i>“Internal discussion regarding timing of notification of the decision on DA 202342470 to submitters of public representation.</i> • <i>Anything pertaining to the assessment of and decision on DA 202342470.</i> • <i>This is for both formal assessment templates and statements against codes, criteria, etc as judged by ESPDD, and information (excluding the text of public representations) that may have been passed around, to, or from EPSDD that would influence the assessment.</i> • <i>This is for information on how the application was judged to meet whatever criteria and submissions it was assessed against.</i> • <i>Information pertaining to the addressing of public representations concerning 202342470, noting that the original texts / messages as they were received by EPSDD are <u>NOT</u> required:</i> • <i>Responses from the applicant and JACS about the public representations and addressing of these representations.</i> • <i>IF the full text of submissions including attachments was not passed to the applicant or JACS, the consolidated form in which they were passed on.</i> • <i>Anything pertaining to the recreational value of the site of 202342470, apart from an original submission message.</i> • <i>Anything pertaining to comparison of the development proposal to an industrial development, apart from an original submission message.</i> • <i>Anything pertaining to the public release of information that would demonstrate how representations were addressed.</i> • <i>Anything pertaining to reason why public representations were not addressed properly and are not portrayed accurately in the Notice of Decision for DA 202342470.</i> • <i>Anything pertaining to the location on a prominent hill, how that affects the integrity of the zoning, and why this feature should be destroyed to develop the site, apart from an original submission message.</i> • <i>Anything pertaining to EPSDD’s characterisation and enumeration public representations and the number of favourable and unfavourable submissions.</i> • <i>Anything pertaining to consideration of alternative locations as suggested in public representations, apart from an original submission message.</i> • <i>Information, apart from the original submission message and attachments, on representation WVPS7XY4 (submitted 29 January 2024, within the notification period) and whether it was received, whether it was passed to the applicant or JACS and how it was considered.</i>

- Anything not able to be released before the issue of the notice of decision that could be released after that notice was released for FOI 24/009432.
— The date range of this application is from the date of the latest information occurring in FOI 24/009432, namely the 23rd of January 2024 to the date of this submission”.
