

FREEDOM OF INFORMATION REQUEST SCHEDULE

Please be aware that under the *Freedom of Information Act 2016*, some of the information provided to you will be released to the public through the ACT Government's Open Access Scheme. The Open Access release status column of the table below indicates what documents are intended for release online through open access via the Environment, Planning and Sustainable Development Directorate disclosure log:

<https://www.environment.act.gov.au/about-us/access-government-information/disclosure-log>

Personal information or business affairs information will not be made available under this policy. If you think the content of your request would contain such information, please inform the contact officer immediately.

Information about what is published on open access is available online at: <https://www.act.gov.au/open-access>

File No.	Application Scope
24/128214	<p><i>"For the purpose of this request the coroners report I refer to is this report: https://www.parliament.act.gov.au/_data/assets/pdf_file/0007/2412862/ACT-Coroners-Report-Drownings-in-ACT-Rivers.pdf</i></p> <p><i>(1) Any document setting out a cost-benefit analysis, scoping study, scoping report, consideration of practicality, feasibility study/report, implementation pathway or similar relating to the recommendations of the coroner's report, including the installation of water safety equipment and emergency call devices at public swimming locations in the ACT. For the purposes of this request we are seeking documents generated within the last 2 years.</i></p> <p><i>(2) Any document setting out a cost-benefit analysis, scoping study, scoping report, consideration of practicality, feasibility study/report, implementation pathway or similar relating to the installation of water safety equipment and emergency call devices at public swimming locations in the ACT. For the purposes of this request we are seeking documents generated within the last 2 years.</i></p> <p><i>(3) Any correspondence with the Royal Life Saving Society (RLS) arising from the recommendation of the coroner that the ACT Government engage in discussions with RLS regarding the practicality of installing rescue equipment in freshwater swimming sites.
