Dear [REDACTED],

Thank you for our followup call on Tuesday.

We have reviewed the FOI with consideration of the issues raised in our discussion and feel that the current scope of the [REDACTED] request is already quite narrow, and that we are reluctant to limit it even further.

To make it clear, we are requesting:

- Correspondence (e.g. letters and emails), opinions, reports or recommendations;
- **limited to that which is from/to/by** external experts/agencies and ACT Government;
- **limited to** the management of the Kama Reserve and/or it's buffer **as part of the Molonglo Stage 3 Urban development** (this means we aren't looking for these sorts of documents outside of this development);
- **limited to** October 2013 and 30 June 2019.

I trust this is of assistance. If you have any further questions, please do not hesitate to contact me.
