Good afternoon

I request the following information under the Freedom of Information Act:

- Documents held by ACT Heritage or the Heritage Council in relation to the removal of the Heritage-listed scarred trees listed on the Register as MSYB1 (Spook Tree) and MST4, including:
 - Documents relating to the notification of ACT Heritage that the trees had been removed
 - Minutes of Heritage Council meetings on this matter
 - Documents relating to the current whereabouts of the remainder of MST4, including its current management and plans for its future
 - Correspondence and advice provided by the ACT Government to the Representative Aboriginal Organisations about the removal of the trees.

Thanks for your assistance. If you have any question, please contact my office on [REDACTED].

Kind regards

Good afternoon

I request the following information under the Freedom of Information Act:

- Documents held by the Parks and Conservation Service relating to the investigation of the removal of the Heritage-listed scarred tree listed on the Register as MST4, including:
 - the scope of the investigation;
 - the investigation's findings; and
 - materials collected as part of the investigation such as documentation on the circumstances of the removal, works authorisation and plans, and documents related to when relevant authorities such as ACT Heritage were notified of the removal of the tree.
- Materials that establish or document the procedures the Parks and Conservation Service use prior to undertaking, and during, works to ensure compliance with heritage legislation, such as operations manuals, standard operating procedures and standard terms of contract for contractors.

Thanks for your assistance. If you have any question, please contact my office on [REDACTED].

Kind regards
