Dear FOI team,

In regards to the building work on Block 3 section 21 Mawson. A notice of exempt building work, and building work carried out on that block. A complaint was made about that building work carried on extending to adjoining blocks.

The Certifier, informed ACTPLA he was unaware of the actual building work completed and filed a stop work notice on the building work.

That stop work notice, subsequently had around three further Development Applications submitted, refused and or withdrawn as non-compliant.

There are a number of statutory declarations and application for special consideration filed within ACTPLA / Access Canberra seeking to have the development after the fact assessed outside of the legislative restrictions (preventing it being approved) under what is identified as a "Merit" assessment.

I request a copy of those statutory declarations filed by lessee holders William (bill) Aldcroft and Lisa Aldcroft (ne Taylor) and relevant information used to inform approval for the approved use of the "Merit" line of assessment.

Sincerely
