To whom it may concern,

I have recently moved into the Stromlo Settlement (Dolly McGrath Street, Duffy) and have been seeking details on this precinct and applicable details and rules. However apart from some initial basic details I cannot locate anything else applicable to the area. I have also attempted to contact relevant directorates, however their contact details online are all too prescriptive and relate to certain enquiries but not this one. Nor do there appear to be general email contacts either.

I note within the Duffy Precinct Stromlo Settlement details in the below Act, there is reference to the **2004 Stromlo Forestry Settlement Sustainability Study** however this study does not appear to be available online or searchable (apart from references to it in Planning and Heritage documents/legislation) on ACT Gov websites.

I am seeking to obtain a copy of this study, as well as any further details applicable to rules for the Duffy Stromlo Settlement including the street trees in place.

Thank you
