- *If the land was in the control of the developer on or before 14 August 2019, we request your office to provide details of the developer, contracts/agreements with the developer.*
- *...who installed the fence on the subject land.*

The information you requested was informally released to you by EPSDD's Information Governance team on 21 August 2023, and you were asked if the information satisfied your request. Processing of your application was suspended under section 34(4) of the Act on 21 August 2023.

Over six weeks has passed since your application was suspended and no response has not been received. The Suburban Land Agency (SLA) and EPSDD, is no longer required to deal with this application in accordance with section 34(6)(b) of the Act. As a result, this matter has now been closed.

It is open to you to submit a new access application at any time.
