ArchivesACT - update regarding AR3471

I have been advised by ACT Archives that I need to submit an FOI request to obtain access to the material named in the title of this e-mail, which apparently relates to an assessment of a heritage nomination for Wybalena Grove, where I currently live. I am advised that the material dates from late 2004-2005.

This relates to possibly submitting a new and updated heritage nomination for the Grove.

Please advise how I can obtain access to this material, which may be useful in preparing a new nomination.

thank you
