**Subject:** FOI Request: Fraud

Hello,

I'm writing to request information under the *Freedom of Information Act 2016*.

I am seeking:

- all documentation, including internal briefings, reports, correspondence and other documentation generated or discovered in the investigation and eventual financial penalty of two employees in 2016-17, related to findings of fraud.

I do not request duplicates of documents, including duplicate emails. I do not specifically request personally identifying material exempted under the Act, such as names, phone numbers and email addresses and am happy for this information to be redacted.

I would like advice if the information I have sought is due to be released under FOI to individuals

or organisations prior to finalisation of my FOI application.

I also note the onus rests with the agency to prove why any information should not be released under the Act and I request the agency provide evidence in support of any assumptions or assertions used to justify non-disclosure.

I also advise I am seeking a total reduction in fees and charges associated with this request as release of the information will: contribute to community understanding on an important issue, inform debate and improve government accountability and transparency.

If I can assist with the processing of my request, including negotiation of scope, please do not hesitate to contact me by phone or email on the details below.

Best regards,

-
