To the FOI officer,

I am seeking documents under the Freedom of Information Act 2016 from the Environment Directorate regarding waste management.

I am also filing a request to TCCS with the same questions – I am happy for one Directorate to coordinate the whole request if that is easier for you.

If you require me to file separate requests for the relevant Ministers (regarding Qs 1, 2 and 3) please let me know ASAP.

Specifically, I am seeking:

1. All briefings to the Environment Minister regarding Mugga Lane Materials Recovery Facility created between 1 July 2018 and now.
2. All briefings to the Environment Minister regarding the Visy paper mill in Tumut created between 1 July 2018 and now.
3. Any documents created between 1 July 2018 and now regarding ACT waste being sent overseas held by the executive team of the Environment branch of EPSDD or the Minister's Office.
4. Any documents detailing the ACT's international waste arrangements, that is, arrangements for where waste is sent, and the companies contracted to process that waste.
5. Any communications sent or received by the executive team of the Environment branch of EPSDD regarding the Visy paper mill at Tumut between 1 July 2018 and now regarding processing of ACT waste.

I am [REDACTED] and as such I request a total reduction in fees and charges as the release of information will contribute to community understanding on an important issue, inform debate and improve government accountability. Further, [REDACTED] [REDACTED] and warrants a remission of fees and charges on that basis.

I would also like to request a five-day waiting period before provision of the information I've sought is published on any disclosure log, as this will assist [REDACTED] in the preparation of any material and ensure the accuracy of anything published or broadcast.

If I can help in any way with the processing of my request, including negotiation of scope, please don't hesitate to contact me by phone or email at any time.

Thanks for your time, I look forward to hearing from you.

Regards,

[REDACTED]
