This email is a formal FOI request. (The link: www.environment.act.gov.au/about_us/freedom_of_information is broken).

The request is for all documents and other information materials related to Development Application 202240878 created, received or amended since 1 May 2023. Without limiting the scope of this request it includes records of meetings, telephone calls, emails, reports, and draft decisions, and all whether draft or final. For the avoidance of doubt it includes any material associated with contact with the applicant and all communication in any form with ACT Ministers and MLAs and their staff or offices. It may exclude records of communication with Reid residents who lodged representations about the application.

Given the public interest in this matter I apply for all fees to be waived.
