Hi

Please see below FOI request.

I am seeking all information and any documents that concern the creation of the Conservator Guidelines for the Management of Burrowing Animals During Development (https://wombatrescue.com.au/wp-content/uploads/2025/02/ACT-Burrowing-Guidelines_Web-1.pdf). Specifically I am seeking access to any documents that provide a consideration or analysis of the impact these guidelines will have on housing affordability and construction time frames. I am happy to limit the scope of this request to any documents or information from 1 January 2024.

Kind regards
