

BEFORE REQUESTING LEGAL ADVICE

ACT
Government

Is obtaining ACTGS legal advice the only way to address this issue?

Identify the scope of the issue as definitively as possible

Is there an area with operational or policy responsibility that might be able to assist?

Has your area dealt with the same or similar issues before (for example in Briefs, Ministerials, etc)?

Have you checked whether your area has previously requested similar ACTGS advice ?

Discuss your issue with **Legal Services section**.

Legal Services section can assist with locating previous advice, interpreting and defining your issue from a legislation point of view , and can help find more efficient ways to address your issue if possible
