Dear “FOI – Information Management Team”,

I am seeking information in regards to the Planning and Land Authority meeting the requirement under the Planning and Development Act 2007.

In particular, I am seeking the times taken in deciding development applications under section 162, including those with timings under sections 118 (Code Track) and 122 (Merit Track) in the last 3 years to today’s date.

I am happy to receive this information electronically and that includes:

DA number, lodgement date, decision date, track, if there were representations, working days required to make a decision under law, and actual working days for the decision to be made.

I believe this information is important to be in the public domain as it will clearly demonstrate the time being taken for development approvals to be decided.

Warm Regards,
