

## FREEDOM OF INFORMATION REQUEST SCHEDULE

Please be aware that under the *Freedom of Information Act 2016*, some of the information provided to you will be released to the public through the ACT Government's Open Access Scheme. The Open Access release status column of the table below indicates what documents are intended for release online through open access via the Environment, Planning and Sustainable Development Directorate disclosure log:

<https://www.environment.act.gov.au/about-us/access-government-information/disclosure-log>

Personal information or business affairs information will not be made available under this policy. If you think the content of your request would contain such information, please inform the contact officer immediately.

Information about what is published on open access is available online at: <https://www.act.gov.au/open-access>

File No.	Application Scope
23/067694	<p><i>....all documents, information, communications, file notes, surveys, measurements, photos, investigations, records and decisions, in any format relating to:</i></p> <ol style="list-style-type: none"> <li>1. <i>[REDACTED]. This includes all documents, information, communications, file notes, investigations, records and decisions, in any format, made, accessed or held by Mr David Kyburz at the Regulatory Response Team related to Evoenergy's development of a substation on [REDACTED], Campbell.
