Dear [REDACTED]

### **Decision on Freedom of Information Access Application 23/129210**

I refer to your application made under section 30 of the *Freedom of Information Act 2016* (the Act) received by the Environment, Planning and Sustainable Development Directorate (EPSDD) on 11 December 2023.

Specifically, you are seeking:

*"We found out today from the Wanniasa school social media page that the school won a commended energy transformer award from the 2023 climate choice school award, but it doesn't explain anywhere what the school did. May I request to release the submission from the school for this award..."*

I am an Information Officer appointed under section 18 of the Act to deal with access applications made under Part 5 of the Act.

In accordance with section 40 of the Act a decision on your access application must be made on or by 31 January 2024.

#### **Searches Conducted**

Comprehensive searches were conducted and two documents containing information within the scope of your application were identified.

#### **Decision on Access**

I have included as **Attachment A** to this decision the schedule of relevant documents. The schedule provides a description of each document that falls within the scope of your application and the access decision for each of those documents.

I have decided to:

- grant full access to one document relevant to your application
- grant partial access to one document and, in accordance with section 50 of the Act, provide you with a copy of the document with deletions applied to contrary to the public interest information.

My access decisions are detailed further in the following statement of reasons and the documents released to you are provided as **Attachment B** to this letter.

## **Material Considered**

In reaching my access decision, I have taken the following into account:

- the FOI Act, particularly sections 6, 17, 50 and Schedule 2
- the content of the documents that fall within the scope of your application
- the *Human Rights Act 2004*
- your views regarding the public interest
- information publicly available.

## **Public Interest Considerations**

My reasons for deciding not to grant access to components of a document are as follows:

### **Information Disclosure – Schedule 2 of the Act**

The Act recognises the right of every person to obtain access, under its provisions, to government information (see section 7, the Act). As an Information Officer, I am required to allow access to information subject to the Act, unless, on balance, disclosure would be contrary to the public interest.

In assessing the public interest, I must apply the test outlined under section 17 of the Act which requires consideration of factors favouring disclosure, any favouring nondisclosure and the balance of those factors when considered cumulatively.

#### *Factors Favouring Disclosure*

In applying the public interest test, I have determined that disclosure of the information could reasonably be expected to do the following:

- Schedule 2, 2.1(a)(i) – promote open discussion of public affairs and enhance the government’s accountability.
- Schedule 2, 2.1(a)(ii) – contribute to positive and informed debate on important issues or matters of public interest.
- Schedule 2, 2.1(a)(viii) – reveal the reason for a government decision and any background or contextual information that informed the decision.

#### *Factors favouring Nondisclosure*

In applying the public interest test, I have determined that disclosure of the information could reasonably be expected to do the following:

- Schedule 2, 2.2(a)(ii) – prejudice the protection of an individual’s right to privacy or any other right under the *Human Rights Act 2004*.

### **Personal Information**

Document 2 contains personal information of individuals (photos and names). I have considered how the public interest would be advanced by releasing this information in part or in whole. It is my view that the information if disclosed, could reasonably be expected to prejudice the protection of an individual’s right to privacy under section 12 of the *Human Rights Act 2004*. On balance, and the information available to me, I am satisfied that the disclosure of this personal information is not in the public interest.

To provide you with the information that I have determined to be in the public interest to release, copies of some documents have been prepared with personal information redacted in accordance with section 50 and the Objects of the Act.

### **Charges**

In accordance with the *Freedom of Information (Fees) Determination 2018* no charges are applicable to this application, the number of pages to be released is less than 50 pages.

### **Online Publication**

Under section 28 of the Act, EPSDD maintains an online record of access applications called a disclosure log. Your original access application, this decision and documents released will be published in the EPSDD disclosure log no earlier than three days after you receive this decision. Your personal contact details will not be published.
