Good Morning,

Hope you are well.

I write this email to request for the information below under the Freedom of Information Act 2016.

[REDACTED] with a developer, who are blaming the planning rules and regulations to cancel purchase contracts, I would like to request a copy of the assessment for Development Application no. 201630707 Amendment to Approve DA201630707 (S1970) that was lodged in November 2022.

This is a critical information for us [REDACTED] to ensure the reasoning for the developer to cancel contracts, is legit.

Please refer to the link below for the Development Application details.

I understand this is noted as "Under Assessment " on the website, however no documents are available.

We have limited time to reply to the developer on our [REDACTED] and I would really appreciate if you could get back to us as early as possible.

Please let me know if you require further information.
