Hi EPSD FOI,

Just to clarify, I need the data for each year from 2018 inclusive with the addition of more recent years including the current year.

Would you please reply acknowledging receipt of this request?

Kind regards,

Dear EPSD FOI,

I am requesting data that extends what you provided me via FOI previously (see attached) on page 14. I would like the data back to 2018 and brought forward to the current budget. Please include the categories included on the Environmental Weeds Control budget chart, specifically:

- urban nature reserves, national parks and catchments, rural roadsides, technical report
- offsets
- bushfire recovery
- healthy waterways
- parliamentary governing agreement
- lower Cotter
- Molonglo River Reserve
- Centenary trail
- forestry
- Total

Please do not include annual reports or a trend line or any other additional information. I require the data in chart form to 2023-24. If you have any questions regarding this request, please let me know.

Regards,
