Subject: [REDACTED] - emails related to Northbourne tenders

To the FOI contact officer,

I write under the Freedom of Information Act 2016 to request the following documents in possession of the Environment and Planning Directorate and the Suburban Land Agency:

- emails related to the sale of Braddon and Turner on Northbourne from November 2018 to 24 June 2019 (both between ACT government officials and to the preferred tenderer). Exclude emails to media.

I believe this release would satisfy several elements of the public interest test, including enhancing the government's accountability, and allowing or assisting with inquiries into possible deficiencies in the conduct or administration of an agency or public official. As such I ask that you waive the processing fees for this request under section 107 (2)(b) of the Act.

Please contact me on the below number if you have any questions or concerns.
