Hi

I am seeking the following documents under FOI:

- All documents in connection with approvals applied for and granted for works being conducted at 45 Tasmania Circle, Forrest ACT 2603. This includes but is not limited to:
 - applications submitted by the applicant/owner
 - approvals granted
 - Form 1n approval applied for and granted
 - any internal or external documented communications
 - any documented deliberations in relation to the approvals

I understand that the request for documents is broad but given that subject matter is limited I believe that this will not result in any undue burden as the overall number of documents will not be excessive.

Please contact me by email or on [REDACTED] if you would like to discuss

Regards
