Hi there

Thank you very much for following up with me, I really appreciate it.

I would be very grateful if you could please look for briefing documents relating to: the EOI process for the sale of Ginninderra Falls (I know this is a private EOI but I imagine the ACT Government would have received briefings on the issue); any briefings on the potential acquisition of the land by ACT Government from NSW Government (whether relating to this EOI process or prior to the EOI); any briefings relating to the lobbying by [REDACTED] for the falls to be made into a national park.

I hope that helps to narrow the scope of my request

Thanks so much
[REDACTED]

Dear [REDACTED]

I refer to your access application requesting information related to the sale of Ginninderra Falls.

This application may possibly be transferred to the Environment, Planning, and Sustainable Development Directorate (EPSDD).

To assist with our document searches, could you please provide further details about the documents you are seeking, as the sale of Ginninderra Falls is not being undertaken by the ACT Government but privately by an Expression of Interest process.

Kind regards

Information Governance Team
