

Mountain bike riding in Namadgi National Park, Brindabella National Park and Bimberi Nature Reserve

There are over 400 kilometres of formed vehicle trails (management trails) available to cyclists within Namadgi National Park, Brindabella National Park and Bimberi Nature Reserve.

(See enlargement on reverse side for northern Namadgi and Brindabella National Parks and Bimberi Nature Reserve. Day rides only in this area.)

Mountain bike route table for southern Namadgi National Park

All distances given are one way. You can link up trails for circuit rides.

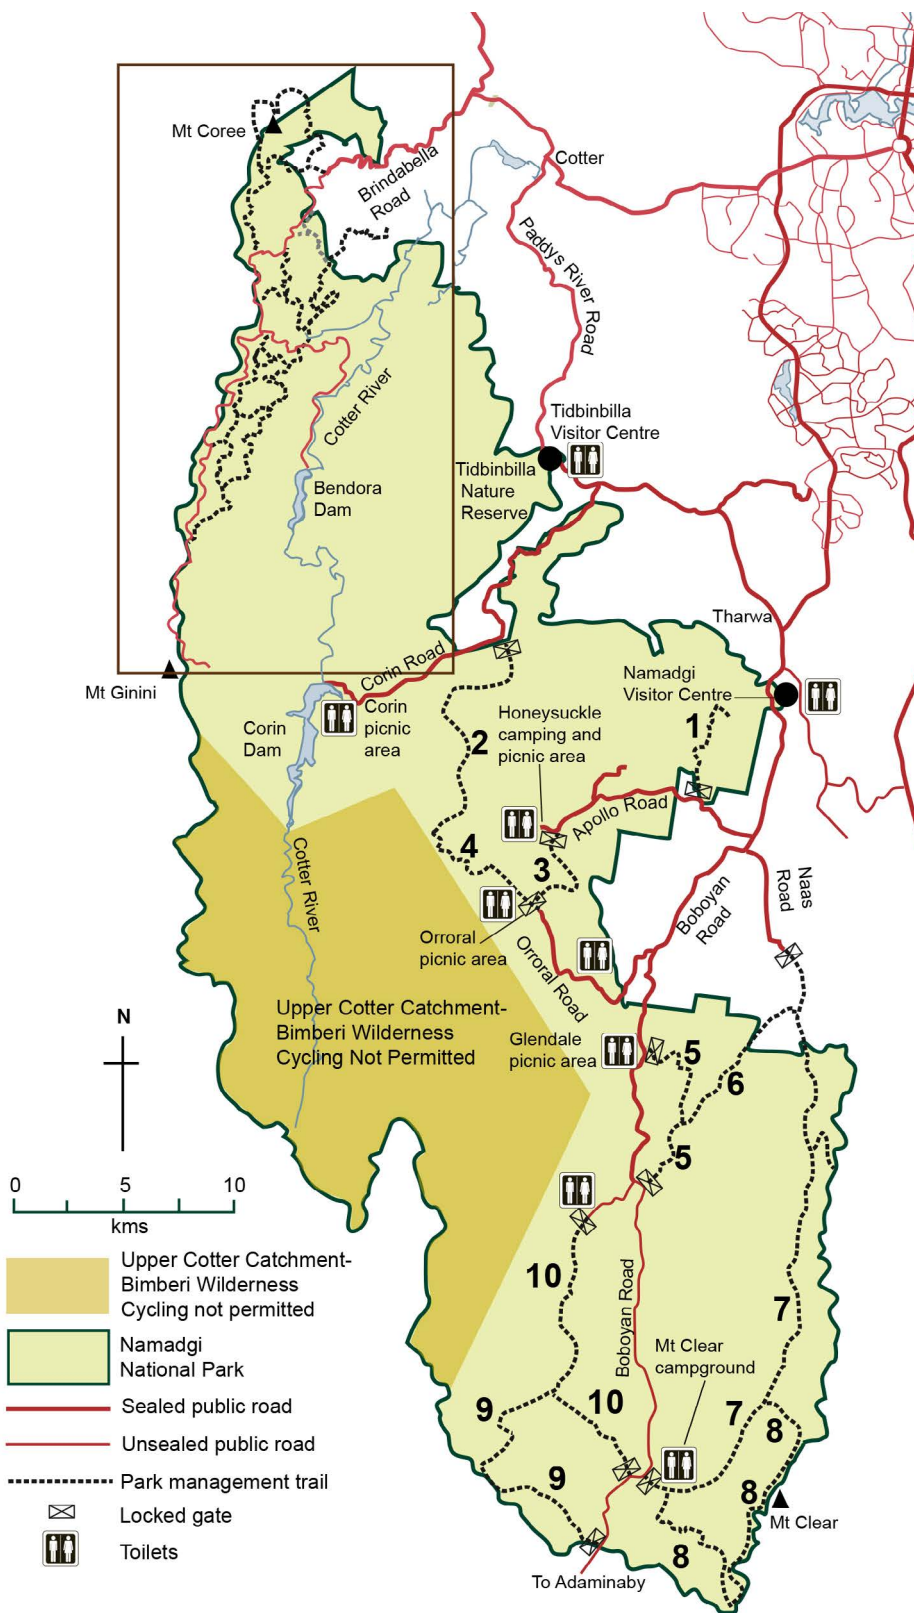

No.	Trail name	distance
1	Mt Tennent Trail	7 km
2	Smokers Trail	11 km
3	Honeysuckle to Orroral Trail	6 km
4	Orroral Trail	8 km
5	Brandy Flat Trail	16 km
6	Gudgenby Creek Trail	8 km
7	Naas Valley Trail	27 km
8	Mt Clear Trail and Long Flat Trail	21 km
9	Grassy Creek Trail	13 km
10	Old Boboyan Road	15 km

When mountain biking in Namadgi, please remember:

- Cycling is permitted on all formed vehicle trails other than those in the Bimberi Wilderness.
- Walking tracks and single tracks are for walkers only.
- Bicycles are not permitted off the formed vehicle trails whether in open or forested areas.
- Remember to carry repair gear and be prepared for sudden changes in weather.
- Cycling is not permitted in the Cotter Catchment/Bimberri Wilderness areas.

Cotter Catchment/Bimberri Wilderness

- Protected since 1911, the Cotter Catchment provides clean mountain water to Canberra. The catchment is part of the Bimberri Wilderness, providing remote experiences in a pristine mountain environment.
- To minimise impacts and protect water quality, please remember:
 - camping is by permit only
 - access is by foot only (bicycles not permitted)
 - fuel stoves only - leave fallen timber to renew soil and provide habitat.

-  Northern Namadgi-Day rides only
-  Brindabella/Bimberi-Day rides and longer
-  Hut, shelter or picnic area
-  Water
-  Toilets

These maps are a guide only. Please refer to topographic maps for more detail on grades and navigation. Most trails in this area have very steep sections. The management trails and roads vary in condition due to differing maintenance regimes and seasonal conditions such as snowfall, storms and fallen trees on the roads. Private landowners along Doctors Flat Road (1) allow public access. Please leave gates along Doctors Flat Road as you find them.
