Good afternoon Angelina,

Thank you for your assistance in the matter. I am seeking records within the last 3 years, so from December 2017 until now. The records may have originated from Access Canberra.

Regarding the area surrounding Griffith shops, I refer to:

- Throsby Lane;
- Barker Street; and
- the area adjacent to the buildings 16 Barker Street & 26 Throsby Lane.

Please let me know if you would like any additional information.

Kind regards,

[REDACTED]

Good afternoon,

I am looking to submit a request for information, relating to incidents where damage to property has been caused by fallen branches / trees in the area surrounding Griffith Shops, ACT 2603.

I have recently had my car damaged by fallen branches on Throsby Lane, behind Griffith shops, and have lodged a claim with TCCSD for repairs to the vehicle.

Unfortunately TCCSD have been unable to verify previous incidents in the area, and have rejected the claim, stating no knowledge of previous incidents.

As such, I am hoping to provide to them the evidence they require, and am requesting information relating to incidents in the area. Any assistance that you can provide would be greatly appreciated.

Please let me know if you require any additional information.

Kind regards,
