Good afternoon FOI team

Since providing advice to Minister Berry's Office that [REDACTED] request does, in fact, constitute an FOI request, the MO has asked that I formally submit this for consideration as such, rather than [REDACTED] having to resubmit the request [REDACTED] to the FOI team.

This being so, can I ask that you please treat [REDACTED] corro as an application under the *Freedom of Information Act*.

[REDACTED] request is for a copy of:

- *The documents referred to in the letter from Yvette Berry dated 24 May 2023. Copy attached for your reference.*
- *In particular, the part of the Lawson Estate Development Plan landscaping design that includes the concrete bollards. As there were no residents in Lawson in 2012, [REDACTED] would also like to know which parts of the community were consulted on the design and to see the responses received (without identifying information of course).*

Grateful please if the FOI team can confirm receipt of this and next steps so I can let the MO know.

If you have any questions please let me know.

Hey Ange

Following on from my email yesterday, I can confirm CMTEDD does not hold any relevant information, confirmed by Access Canberra.

TCCS have also confirmed they think it is best suited with EPSDD. I have CC'd you into TCCS's response to CMTEDD so you can refer to their advice if required.

Can you confirm EPSFFS will accept a full transfer of this one?

Thank you

Good morning team,

CMTEDD FOI has received the below application. The applicant is specifically seeking access to:

- i. ***The Estate Development Plan for the suburb of Lawson which includes the section(s) pertaining to the landscaping design, particularly the concrete bollards at the intersection of Stockman Ave and Baldwin Drive.***
- ii. ***The responses received from the community during the consultation phase of the Development Plan.***

*The applicant does not wish to obtain any aspects of the development plan such as drainage, roads, services, housing density, soil testing etc. They are only interested only in the landscaping section.*

Are you able to confirm if EPSDD hold any information within scop, and as such if you will accept a transfer of all or part of the request?

I have also checked with TCCS and Access Canberra.  
Thank you in advance.
