## Decision on Freedom of Information Access Application 23/126936

I refer to your application made under section 30 of the *Freedom of Information Act 2016* (the Act) received by the Environment, Planning and Sustainable Development Directorate (EPSDD) on 8 December 2023.

Specifically, you are seeking:

*"...all documents related to the Heritage Council decision to register the Former Kingston Post Office."*

On 3 January 2024, you confirmed exclusion of a document that was previously provided to you.

On 23 January 2024, you confirmed exclusion of the documents you have submitted in relation to the Former Kingston Post Office.

I am an Information Officer appointed under section 18 of the Act to deal with access applications made under Part 5 of the Act.

In accordance with section 40 of the Act, as third-party consultation was undertaken, a decision on your application must be made by 20 February 2024.

### Searches Conducted

Comprehensive searches were conducted and 21 documents containing information within the scope of your application were identified.

### Decision on Access

I have included as **Attachment A** to this decision the schedule of relevant documents. The schedule provides a description of each document that falls within the scope of your application and the access decision for each of those documents.

- I have decided to grant **full access** to 5 documents relevant to your application.
- I have decided to grant **partial access** to 16 documents and, in accordance with section 50 of the Act, provide you with copies of documents with deletions applied to contrary to the public interest information.

My access decisions are detailed further in the following statement of reasons and the documents released to you are provided as **Attachment B** to this letter.

### **Material Considered**

In reaching my access decision, I have taken the following into account:

- the FOI Act, particularly sections 6, 17, 50, and Schedule 2
- the content of the documents that fall within the scope of your request
- the *Human Rights Act 2004*
- the views of third parties consulted
- information released to you previously
- information publicly available.

### **Public Interest Considerations**

My reasons for deciding not to grant access to certain documents and components of these documents are as follows:

#### **Information Disclosure – Schedule 2 of the Act**

The Act recognises the right of every person to obtain access to government information (see section 7, the Act). As an Information Officer, I am required to allow access to information subject to the Act, unless, on balance, disclosure would be contrary to the public interest.

In assessing the public interest, I must apply the test outlined under section 17 of the Act which requires consideration of factors favouring disclosure, any favouring nondisclosure and the balance of those factors when considered cumulatively.

#### *Factors Favouring Disclosure*

In applying the public interest test, I have determined that disclosure of the information could reasonably be expected to do the following:

- Schedule 2, 2.1(a)(i) – promote open discussion of public affairs and enhance the government’s accountability.
- Schedule 2, 2.1(a)(ii) – contribute to positive and informed debate on important issues or matters of public interest.
- Schedule 2, 2.1(a)(viii) – reveal the reason for a government decision and any background or contextual information that informed the decision.

#### *Factors favouring Non-disclosure*

In applying the public interest test, I have determined that disclosure of the information could reasonably be expected to do the following:

- Schedule 2, 2.2(a)(ii) – prejudice the protection of an individual’s right to privacy or any other right under the *Human Rights Act 2004*.

### **Personal Information**

Documents relevant to your application contain personal information of individuals. I have considered how the public interest would be advanced by releasing this information in part or in whole. It is my view that the information if disclosed, could reasonably be expected to prejudice the protection of an individual’s right to privacy under section 12 of the *Human*

*Rights Act 2004*. On balance, and the information available to me, I am satisfied that the disclosure of this personal information is not in the public interest.

To provide you with the information that I have determined to be in the public interest to release, copies of some documents have been prepared with personal information redacted in accordance with section 50 and the Objects of the Act.

### **Charges**

In accordance with section 107(2)(e) of the Act any charges applicable are waived.

### **Online Publication**

Under section 28 of the Act, EPSDD maintains an online record of access applications called a disclosure log. Your original access application, this decision and documents released will be published in the EPSDD disclosure log no earlier than three days after you receive this decision. Your personal contact details will not be published.
