**Subject:** Freedom of information request

Dear Sir or madam,

I am seeking under FOI access to a grant to the Canberra Organic Grower's Society Inc. (COGS) regarding an extension to the Betty Cornhill Community Garden at Yarralumla which is an area of land that COGS uses under licence from the ACT government.

I would like a copy of the signed grant please. I believe that the grant is a public document and that as resident of the ACT I am entitled to be provided with a copy of the signed grant as is any other member of the public.

I appreciate your assistance.

Thank you,
