Hello,

I'd like to make the following request for information under the Freedom of Information Act 2016.

*Any documentation, including reports and briefings, prepared for the ACT Government by Ernst and Young regarding the "Precinct Renewal Program - City Hill S63 Development Strategy".*

I ask that the agency waive the fee associated with the application on the grounds that the subject of this request - work to inform the redevelopment of a key precinct in the ACT - is of special benefit to the public.

Should you request further information, or have any queries about this application, please do not hesitate to contact me.

I look forward to hearing from you.

Kind regards,
