Details of conversation or event

I called [REDACTED] regarding [REDACTED] access application and advised that additional documents were located by the relevant line area in scope of the application.

I asked [REDACTED] if she wished to seek all Development Application documents that were considered by the Minister for the purpose of the decision.

[REDACTED] advised that [REDACTED] was not seeking all the Development Application documents and therefore they could be excluded from the scope of [REDACTED] application.

[REDACTED] agreed to the requested extension of time to undertake the decision with a refined due date of 7 November 2022.
