Good afternoon,

On behalf of [REDACTED] I write to request, under the *Freedom of Information Act 2016*, copies of the following reports:

1. Human Health Risk Assessment by Sage Environmental Services for the Kippax Group Centre Site
2. Site Audit Report by Geosyntec for the Kippax Group Centre

I am not entirely clear on whether this is the correct directorate to submit this request to, so please let me know if it would be better forwarded elsewhere. Thank you!

Kind regards,
